## Location

Bolwarra Heights, the home of Bolwarra Tops, is bordered by the picturesque and rustic towns of Lorn, Largs and Woodville.

Located just 6km from the Maitland CBD, Bolwarra Tops can be found a few turns off Paterson Road, nestled on the edge of town, a short walk to the Hunter River.

Situated on scenic farmland Bolwarra has become an exclusive neighbourhood with stunning rural views and scenery.

A part of Hunter region, an area highly regarded for its resource industry and quality vineyards, Bolwarra is just 45 minutes to Newcastle and only 45km to the Upper Hunter's employment opportunities. Sydney is also an easy 2 hour drive.

For those travelling up the Valley find peace of mind in the fact that the newly opened Hunter Expressway has cut essential commutes to Newcastle and the Upper Hunter by up to half an hour.

Just a short drive to everything you need, including Maitland and East Maitland's shopping precincts, schools, private and public hospitals you are close enough to today's essential services. And with the National Broadband Network rollout a major priority in Bolwarra Heights access to high-speed technology is at your doorstep.

## Securing your block

---

To secure the purchase of a block of land you are required to sign a contract which:

• Provides for a ten business day cooling off period (Please note: a business day does not include a weekend or a public holiday)

• A deposit of 0.25% of the purchase price (e.g. \$625.00 if a purchase price of \$250,000) is required upon signing. The balance of the 10% purchase price is payable upon or before the expiration of the cooling off period. (In the previous example given, this would be \$25,000 - \$625.00 = \$24,375.00) which would be the balance payable.) Please

Note: the payment of a deposit without signing a contract will not secure you the block.

Peters Real Estate holds all the original and duplicate contracts.

• Home owners; For most people who currently own a home and wish to secure a block of land, the balance of deposit security (following the initial 0.25%) is typically by way of a Deposit Bond. This is certificate from the bank/building society that substitutes a cash payment.

• Having exchanged contracts, you have locked the owner in and every other buyer out. You (and not the owner) have the right to withdraw out of the purchase at any time prior to the expiration of the cooling off period (this requires service of an appropriate notice by your legal representative to the vendor's legal representative). In these circumstances, you forfeit your initial 0.25% of purchase price to the vendor.

• All stages are registered and ready to build on.
