Securing your block

To secure the purchase of a block of land you are required to sign a contract which:

• Provides for a ten business day cooling off period (Please note: a business day does not include a weekend or a public holiday)

• A deposit of 0.25% of the purchase price (e.g. \$525.00 if a purchase price of \$210,000) is required upon signing. The balance of the 10% purchase price is payable upon or before the expiration of the cooling off period. (In the previous example given, this would be \$21,000 - \$525.00 = \$20,475.00) which would be the balance payable.) Please Note: the payment of a deposit without signing a contract will not secure you the block.

Peters Real Estate holds all the original and duplicate contracts.

• Home owners; For most people who currently own a home and wish to secure a block of land, the balance of deposit security (following the initial 0.25%) is typically by way of a Deposit Bond. This is certificate from the bank/building society that substitutes a cash payment.

• Having exchanged contracts, you have locked the owner in and every other buyer out. You (and not the owner) have the right to withdraw out of the purchase at any time prior to the expiration of the cooling off period (this requires service of an appropriate notice by your legal representative to the vendor's legal representative).

In these circumstances, you forfeit your initial 0.25% of purchase price to the vendor.

• Stage 5 is now registered and ready to build on

About the Area

While the serenity of rural living is highly desirable, many still want health, education and other essential facilities close by - Dunmore Ridge can pride itself on being able to deliver all.

• Largs is home to a pre-school and a public primary school which both boast caring family environments and strong community involvement.

• The town is close to more than 4 high schools, both private and public in the overarching Maitland Local Government area.

• There is an aged care complex located just up the road from Dunmore Ridge and Maitland's health services are a short drive away with Maitland Hospital, Maitland Private Hospital, doctors, pharmacies and a wealth of other community services close by.

• Dependable internet access is on its way with the construction of the government's National Broadband Network (NBN) having started in Largs, delivering reliable, high-speed broadband connection.

When travelling down the main street of Largs you can't help but feel overwhelmed by the sense of time-honoured values.

Residents stop to say hello, heritage buildings sit proud on prominent corners and the rural atmosphere calms your soul.

It is a location used by cedar getters prior to the Lang family settlement in 1821. It is also home to one of the oldest public schools in NSW and as a whole Largs now represents a family-friendly residential area.

Even though heritage has played an integral role in the formation of Largs, new estates, modern conveniences and contemporary living combine seamlessly to provide residents with the best of both the old and new.

Largs Park sits at the heart of the town and the surrounding area is inundated with rural outlooks so there is no shortage of stunning locations to ride or walk to - the Bolwarra lookout sits high on the list. Being located within the Maitland government area Dunmore Ridge is also ideally positioned to make the most of what the council has to offer from formal gardens to parklands, natural bushland, wetlands and playgrounds.

• Dunmore Ridge is only 10 minutes away from the multi-million dollar Maitland Park and Pool hub which offers period landscapes, picnic and eating areas and an Olympic-size swimming pool with state-of-the-art children's play area.

• Largs also has its own skate park or you can travel to Thornton, Central Maitland or Metford for a taste of others.

• Ride along more than 60 kilometres of cycle ways worth more than \$1 million throughout the region.

• Or picnic and barbeque for free at Walk Water Works which houses an old heritage works pumping station, built in 1887.
